**Discontinuance of Select Buck Converters
Product Discontinuance Notification**

Date: June 16, 2023

To: Digi-Key PCN

Dear Customer:

The purpose of this Rev B PDN is to retract a device which was inadvertently included in the original notification. Due to this retraction, some replacement devices also are being updated. Details are provided in the Description of Withdrawal/Discontinuance Section on page 3 of this document. We apologize for any inconvenience this may have caused.

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based recent customer purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI would appreciate it if you would notify us of any future demand and estimated quantities needed for the affected products as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, non-refundable last time buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

The notification period is governed by TI's standard process. Any inquiries should be directed to your local Field Sales Representative.

If you require additional supply beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the Change Management tea

Sincerely,

Change Management Team
SC Business Services

Product Discontinuance Notification Details				
Description of Discontinuance:				
<p>This purpose of this Revision B is to retract the TPS54617RUVR device originally included in the discontinuance letter. The affected device is identified with a strikethrough and is highlighted in yellow in the Product Affected Section. This device will continue to be supported.</p> <p>The device being retracted can now be offered as an additional recommended replacement for two of the devices. Please refer to these updates in the Product Affected Section.</p> <p>There is no change to the original Last date to order or Last date to ship as noted above.</p> <p>Texas Instruments Incorporated (TI) is announcing the discontinuance of select buck converters. Part Numbers are listed in the Product Affected table below. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are being offered on some devices as shown in the Product Affected Section.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.</p>				
Reason for Withdrawal/Discontinuance:				
150-millimeter production will be shutdown in the current fab site.
