Single-Gang Surface-Mount Back Box, White, TAA

MODEL NUMBER: **N080-SMB1-WH**

Deep back box for mounting a wallplate as part of a raceway system. Ideal for multiple audio/video, voice and Ethernet in-wall applications using any type of keystone jack, including Cat5e/6/6a, USB, HDMI, DisplayPort and RCA.

Description

The N080-SMB1-WH Single-Gang Surface-Mount Junction Box is perfect for mounting a wallplate to complete multiple audio/video, voice and Ethernet in-wall connections using any type of keystone jack, including Cat5e/6/6a, USB, HDMI, DisplayPort and RCA. Designed to work with mid-sized and standard single-gang wallplates, such as the N080-Series, this back box is two inches deep. It features raceway cutouts in three different sizes (1 inch, 1.25 inches and 1.75 inches in diameter) on each side, as well as a rectangular knockout on the back. The cover snaps securely to the base with no screws required. Made from durable ABS thermoplastic. White color blends elegantly into any home or office décor for a sleek, professional installation. Includes two mounting screws for easy installation. Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases.
