- 6-ft. AT Cable Kit for KVM Switch B005-008 w/ Audio

Description

Tripp Lite's 6-ft. AT KVM cable kit with audio is designed to connect an AT computer to a B005-008 KVM switch. This premium 5-in-1 cable provides superior performance and cable management. It consists of an AT keyboard cable, a serial mouse cable, an SVGA mini-coax monitor cable and 2 audio cables all bonded into a single unit. This unique cable has a DIN5 male, a DB9 female, an HD15 male and (2) 3.5mm male connectors on one end with a DB25 male connector on the other end (which connects to the KVM switch). All cables are manufactured from superior molded cable with integral strain relief and foil shielding for maximum EMI/RFI protection. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Features
