CHERRY MX BOARD 3.0S

Expect to win – with CHERRY Gaming Performance in innovative aluminum design!

Models may vary from the image shown

The CHERRY MX BOARD 3.0S is a high-performance gaming keyboard with a choice of illumination, color and switch options. The stylish extruded aluminum housing integrates the genuine CHERRY MX switches, designed for fast play with all the gaming features you need to win.

The CHERRY MX gold crosspoint precision switches, made in Germany with full n-key rollover, anti-ghosting and a WIN key lock give you the CHERRY gaming standard you deserve.

Depending on the model, the keyboard features adjustable backlight or impressive RGB illumination in over 16 million colors. Numerous color routines and illumination modes are simple to use with the freely downloadable Utility software. The robust workmanship and technical appearance are manifested in the removable cable with durable, secure connection, round rubber feet for extra stability and an innovative, completely screwless, design. The completely abrasion-resistant key caps are either double-shot molded in plastic or front-lasered, depending on the model choice.

Your keyboard – your style – your victory!
