Item description

Mounting accessories *WINSTA*® MINI 4-pole

The mounting accessories from the *WINSTA*® MINI product line is the intelligent solution for reliable installation. An extensive range of accessories complements the WINSTA® product line from WAGO. If only limited space is available, our smallest pluggable connection system, *WINSTA*® MINI, conveniently displays its advantageous properties. It is very compact, and, thanks to Push-in CAGE CLAMP® spring pressure connection technology, it additionally can be installed quickly, since the connection is low-maintenance and requires no screw connections.

Push-in CAGE CLAMP® spring pressure connection technology – pluggable installation instead of laborious screw connections!

The WINSTA® Pluggable Connection System is perfectly tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, more reliable, and error-free. Use of this pre-assembled system reduces time spent on assembly and errors during installation at the construction site. Choose quality and durability – with protection against mismating from WAGO makes the electrical installation of electrical components noticeably easier.

-
- easy tool-free operation, a wide range of coding options
- quick replacement of defective units during ongoing operation

Data

Connection data

Connection 1

Pole number	4

Mechanical data

Mounting type	Screw mounting
Suitable	for distribution connectors (except T-distribution connectors); 4-pole

Material data

Note (material data)	Information on material specifications can be found here
Color	white
Insulation material	Polyamide (PA66)
Flammability class per UL94	V0
Fire load	0.064 MJ
Weight	2.1 g

Environmental requirements

Processing temperature	-5 … +40 °C
Continuous operating temperature	-35 … +85 °C

Subject to changes. Please also observe the further product documentation!
